SERVING HOSPITALITY TO PEOPLE WITH SPECIAL NEEDS

CELEBRATING PURPOSE

About Up Camp, Evans Creek Retreat: Up Camp is committed to providing quality, accredited, and FUN, outdoor recreational experiences to people with disabilities. Up Camp partners with Easter Seals of Oregon and Jesuit High School to create a unique experience, affirming personal worth, and celebrating the wonders of nature. The Evans Creek site is located in a beautiful forest, about 45 miles east of Salem, Oregon on the North Fork of the Santiam River. Activities at the Evans Creek Retreat include fishing, swimming in a river, paddle boating, archery, crafts, dancing, music, talent shows, hiking, nature study, horses and much more. Up Camp is a Christ centered program, believing the best way to share the Gospel message of God's love is to serve others. Evans Creek has been a state licensed facility since 1982.

What do other volunteers say about their experience at camp?

"I never worked so hard, laughed so much, or made so many friends, ever, anywhere else."

"Before I came to serve, I didn't even know there were people with special needs. Really, I mean, I just looked over them. They didn't exist in my world. At camp I realized they were people like me that had feelings, and likes and dislikes and opinions and ideas".

"If ever I was to say that something changed my life, affirmed purpose, this was it."
